

## **Sponsor-an-Apartment**

The SOS Community Services Sponsor-an-Apartment program helps families and children who are homeless or at-risk in Washtenaw County.

Families and children who are homeless often have none of the standard household supplies that many of us take for granted. When they are moving from temporary shelter to permanent housing, they often find themselves living in an empty apartment, without beds to sleep on, dishes and utensils to eat with, or a place to sit and do homework. Your donation, selected from the list below, will make a difference in the lives of families and children in Washtenaw County working to overcome homelessness and maintain housing.

We ask donors who wish to participate in this program to give **new household items** to supply the apartments used by our families.
